

Hon. Claudia J. Silbar, Ret.

Results Beyond DisputeSM

Judge Silbar joined Judicate West following 21 years of service on the Orange County Superior Court almost exclusively in the family law department. During her time on the bench, she co-created and co-chaired the Remote Voluntary Settlement program and served as Supervising Judge. She has dedicated her judicial career to the family law department and bar association. Deservedly, Judge Silbar was awarded "Judge of the Year" two times by the Orange County Bar Association's Family Law Section and earned praise for her sound judicial temperament, unparalleled work ethic, and commitment to equal justice. Passionate about bringing her knowledge garnered from four decades of combined legal experience to the private sector, Judge Silbar states, "I enjoy helping families during this time in their lives when their fears and anxiety over potential loss of the matters most important to them are at their highest point - their children, their money, their home, their business and more, are at stake. Especially since our family law courts are so impacted by the high divorce rate in our county and the lack of adequate resources to be heard timely and efficiently, mediation is a valuable tool to aid in resolving these disputes."
