Results Beyond DisputeSM

Since Maureen Summers became "Of Counsel" to the firm she founded, Summers & Shives, APC, in 1995, she focused on her mediation career. She had mediated over 6,000 disputes involving a variety of subject matters, but primarily focused on personal injury, including serious injuries, brain injuries, spinal cord injuries, and wrongful death matters. She has extensive experience with the Song-Beverly Consumer Warranty Act, the Consumer Legal Remedies Act, and Unfair Business Practice under Business & Professions Code section 17200 as well as employment, construction, and insurance matters. Prior to withdrawing from the program in 2001, Ms. Summers was one of the most requested mediators on the court's pilot program. One attorney commented, "Maureen was so impressive as a mediator and knowledgeable on product defect and warranty issues that I continued utilizing her in that capacity despite being opposing counsel in an ongoing matter." One plaintiff attorney noted, "She is one of the best mediators in town, especially for personal injury cases." Many other plaintiff and defense attorneys have concurred. Ms. Summers' abilities as a mediator were acknowledged by the San Diego legal community when they selected her as one of three "Top Lawyers" in the Alternative Dispute Resolution Field in San Diego Magazine (2007-2018) and as one of Daily Journal's Top Neutrals (2008-2009).
