Results Beyond DisputeSM

Judge McGuire joined Judicate West following over a decade of distinguished service on the Fresno County Superior Court. During her time on the bench, she spent five years in the Family Law Division and seven years in the Civil Division, overseeing hundreds of cases and presiding over numerous trials, as well as conducting settlement conferences on a regular basis. She also served on the Appellate Panel and the Court Executive Committee. Prior to her appointment, she was a partner at a law firm, handling complex civil rights and tort litigation in state and federal court. Devoted to the legal community, Judge McGuire has contributed her time to multiple organizations in leadership positions. Notably, she is a past president of both the San Joaquin Valley Chapter's Federal Bar Association and ABOTA and currently serves as a National Representative for ABOTA. She describes her approach to private dispute resolution, stating: " I consider myself to be friendly, positive, and a good communicator.
