

Russ J. Wunderli, Esq.

Results Beyond DisputeSM

Mr. Wunderli started mediating in 1995 while he was actively practicing law. Over the years, he earned the respect of his colleagues in the legal community and as a result, they called him to mediate their cases that were coming up for trial. His passion for mediation and success at resolving disputes led him to become a full-time neutral in 2012. During his 30-plus years of experience as a trial lawyer, he represented plaintiffs, defendants, individuals, local and national companies, and public entities, covering a broad range of disputes involving matters such as vehicular accidents, products liability, premises liability, construction defects/accidents, contract disputes, real estate, employment, medical malpractice, environmental law, ADA disputes, and unfair business practices. Since becoming a full-time mediator, Russ has gained a reputation for taking a personalized approach to each dispute. He is known for his analytical and intuitive skills and for having a warm, calm, and empathetic style. One attorney stated, "We appreciate your tireless efforts and superb personal approach to the individuals involved. Your ability to connect with everyone present and move negotiations forward in a methodical, logical, and non-confrontational fashion greatly facilitated in the successful resolution of this case."
