### \*<sup>♦</sup> PAYMENT FOR NEUTRAL SERVICES & RETAINER AGREEMENT

The fees for services other than hearing time include but are not limited to, the review of submitted materials, research (when clearly necessary) and deliberation time. A discretionary **Refundable Retainer(s)** will be charged for these anticipated services, plus the possible need for additional hearing time, unless otherwise agreed to. The rate for these services is to be shared on a pro rata basis, unless modified by the mutual consent of the parties, court order or by ruling from the neutral. Parties must advance the estimated hourly/daily fees and the retainer to lock in reserved dates. Only unused time billed as "Retainer" or "Additional Retainer" is refundable. **PLEASE NOTE:** All JW invoices are due and payable upon receipt. **JW reserves the right to withhold service of any rulings or arbitration awards until all fees have been received from all parties. Our agreement to render services is with the attorney or representative of the parties and payment is and remains the responsibility of the recipient and/or their firm or company until received in full.**

### <sup>▲</sup> CANCELLATION, CONTINUANCE & REFUND POLICY

**All continuances/cancellations must be requested in writing and copied to all parties.** If a matter scheduled for **one day or less** is cancelled/continued **14 days** or less from the scheduled hearing date, the hearing fee is non-refundable and due/payable by the party(ies) requesting the action. If a **2-3 day** case is continued/cancelled **30 days** or less from the hearing date, full payment for lost time is non-refundable and due/payable. For hearings scheduled **4 days** or longer, greater than **45 days** notice is required to avoid any risk of fees for lost time. **No fee will be due for any portion of the time filled by JW.** Multiple continuances by the same party outside the applicable 14/30/45 day policy will result in an additional CMF upon rescheduling. Refunds will be issued on cases cancelled beyond the applicable 14/30/45 day policy, less the non-refundable FF/CMF and preparation time expended prior to cancellation. **PLEASE NOTE: All unused hearing time is non-refundable.** A minimum of \$875 per party of the FF/CMF is **non-refundable** on all cases including all private judging assignments, regardless of cancellation date. The balance of the CMF is due/refundable based on services provided. **JW reserves the right to cancel any hearing where all fees have not been received timely by the stated invoice due date.**
