If you would like assistance setting up your personal account, please email our client portal team: [clientportal@judicategwest.com](mailto:clientportal@judicategwest.com)

At JW, we remain concerned about each one of you as we navigate through these difficult times together. The ongoing health and safety concerns related to the current pandemic has brought to light so many of the people you represent as new heroes in our communities. We find ourselves humbled by their efforts, and we proudly salute them.

We continue to closely monitor updates from state and local authorities, and recommendations from the CDC. As a result, we do not anticipate being open for any live sessions before May 15th, and as a precaution, we will be scheduling all

matters prior to June 1st for virtual sessions. We are planning for a safe and healthy return with the hope that cases may take place in our offices toward the end of May.

We sincerely thank you for your support, especially during this difficult time. It's because of you that we donated more than \$200,000 for COVID-19 relief to the Red Cross and the CDC Foundation. We hope you and your families are safe and healthy and look forward to seeing you back in the office again soon.
